10 CON-WAY FREIGHT, INC.,

11 Plaintiff,

12 v.

13 MIKOHN SIGNS AND GRAPHICS, LLC,

14 Defendant.

Case No. 2:10-CV-01188-KJD-LRL

15
16 **ORDER**

17 On November 5, 2010, the Court ordered Plaintiff to file a status report, motion for default
18 judgment or notice of voluntary dismissal no later than November 22, 2010. On November 22, 2010,
19 Plaintiff filed a Motion for Entry of Clerk's Default (#10). However, Plaintiff's motion appears to
20 have combined the motion and affidavit with a proposed order. For example, if the document was
21 intended to be a proposed entry of default it left no blank for a signature. The Clerk's Office sent
22 Notice (#11) to Plaintiff asking to refile the motion in the correct format, but Plaintiff has taken no
23 action of record. Accordingly, the Court denies the Motion (#10). After consulting the clerk's office
24 help desk, Plaintiff may refile the motion for entry of clerk's default in the correct format.

25 Additionally, on November 5, 2010, Plaintiff filed a Status Report (#9) suggesting that it may
26 have a related cause of action against a third party for fraudulent transfer. Accordingly, the Court

1 orders Plaintiff to file a status report, amended complaint, motion for default judgment, or notice of
2 voluntary dismissal no later than January 19, 2011.

3 **IT IS SO ORDERED.**

4 DATED this 5th day of January 2011.
